Dear Mr. Director:

Bill
As you may be aware, Senator Strom Thurmond has introduced, and the Senate has passed, a resolution making the week of September 23, 1984 National Historically Black Colleges Week. The House resolution continues to attract co-sponsors.

The White House Initiative on Historically Black Colleges and Universities will celebrate the anniversary of President Reagan's Executive Order 12320 on Monday, September 24th. The White House Initiative conference will be held at the Howard Inn, 2225 Georgia Avenue, N.W., Washington, D.C. 20001. I am delighted to enclose the agenda for that activity.

The White House Initiative Office has carefully designed this agenda to respond to a growing interest for more intensive interaction between the private sector and the nation's developing institutions.

We hope you will encourage your White House Initiative Agency Representative to attend this conference. Their continued support is pivotal to the success of this initiative.

If you have questions about the agenda, please do not hesitate to contact Dr. Edward M. Elmendorf, Assistant Secretary for Postsecondary Education at 245-9274.

Sincerely,
